

## Miguel Bonales Arenas

UX/UI Designer

☎ (+34) 657 80 77 30

✉ miguelbonales20@gmail.com

📍 Valencia, Spain

## Education

2022 – present

### Open University of Catalonia

#### Master's Degree in User Experience and Interaction Design (UX)

*Prepared to understand user needs and design navigable, accessible, user-friendly and responsive websites. This Master's Degree covers all the fundamental aspects of designing user-centered products and services: User Research, Interaction and Interface Design, and User Experience Evaluation.*

*All with the aim of improving the user experience and usability of any digital product or service.*

2015 – 2020

Valencia, Spain

### University of Valencia

#### Multimedia Engineering

*Combines the knowledge of the Computer Engineering with the fundamentals of an Audiovisual Communication Degree. These studies allow you to work in a wide spectrum of branches of knowledge: Application Design and Development, Project Management, Software Engineering, Video Game Development, Physical Simulations, Video Editing, or Special Effects Production.*

## Professional Experience

2020 – present

### Product Designer, Design Systems

*Frog Design, part of Capgemini Invent.*

- Elaboration of corporate multimedia content using Adobe Suite and Microsoft tools.
- Construction of Design Systems for the clients through all the design phases of the Design Thinking methodology. (Using Mural, Miro, Figma, Sketch, Zeroheight, and more).
- Adaptation and redesign of web component libraries to Android and iOS Mobile elements.
- Designing and prototyping Responsive Web Apps, using Human Centered Design and Mobile-First strategies.

2019 – 2019

### Mobile Developer (Android and iOS)

*Intelectiva Soluciones Innovadoras S.L.*

- Developing native applications for Android and iOS devices in Java, XML and Objective-C.
- Collaborate with the design and translation teams for the initial definition of the applications and establish their publishing strategy after development.
- Publishing applications on Google Play and Apple Store platforms.

2018 – 2019

Valencia, Spain

### SEO Internship

*Ad2Web S. L.*

- Application of SEO strategies such as linkbuilding, interlinking, and SEO-optimized copywriting by Keywords for the elaboration of a PBN (Private Blog Network) for the client.
- Implementation of SEO-friendly websites in HTML5, CSS3, Javascript, and XML for microdata.
